City Council considered the following applications & (HARB recommendations) for improvements to properties within the Historic District:

1. Ana Vera requests construction of a new covered front porch on a freestanding brick house at 425 Howard Avenue.

2. Rod and Mary Lou Houser request installation of a new window on the house's north elevation at 232 North Mary Street.

3. Jay Stoltzfus requests construction of a projecting balcony on the building's north

elevation at 443 West Marion Street. (after-the-fact)

Councilman Reichenbach made the motion to approve and Councilman Soto seconded. City Council approved the recommendations of the HARB by a unanimous roll call vote.

City Council considered the following application & HARB recommendation for improvements to properties within the Historic District:

1. Jay Stoltzfus requests alteration of a one-story brick garage including removal of a brick parapet wall on the building's façade at 443 West Marion Street. (after-the-fact)

Randy Patterson explained that back in December 2013, when the issue was brought to the HARB, the owner was told to save the parapet in the front of the building. The contractor told the owner that he could not save the parapet and it was removed. No one came back to the HARB to inform at them that it could not be saved. The reason it is in front of Council is because it was not brought back to the HARB for review.

Mr. Donald Main, architect, member of the HARB, stated that what the HARB wanted was to have some detail on the building to show what was there and to help with the elevation of the building. The parapet gave the building a look of height and concealed the slope of the roof which was sloped for drainage.

Jay Stoltzfus, owner of the building, defended his case to Council issuing photos and recounting communications with the HARB.

Randy Patterson gave City Council their options. Councilman Reichenbach made the motion to select the option to reject HARB's recommendation of denial and Councilman Roschel seconded. Mr. Reichenbach suggested that Mr. Stoltzfus reach out to HARB and try to come up with a compromise to make the building more fitting to the Secretary of Interior's Guidelines. City Council approved Mr. Reichenbach's motion by a unanimous roll call vote.

At this time, Vice-President Williams ask the City Clerk to introduce Administration Resolution No. 34-2014. The City Clerk read (the title) as follows:

A RESOLUTION OF THE COUNCIL OF THE CITY OF LANCASTER, LANCASTER COUNTY, PENNSYLVANIA, ADOPTING AND APPROVING AN AMENDMENT TO THE ARTICLES OF INCORPORATION OF LANCASTER MUNICIPAL AUTHORITY, AS PROPOSED BY RESOLUTION OF THE BOARD OF SAID AUTHORITY; SETTING FORTH THE PROPOSED AMENDMENT; AUTHORIZING SAID AUTHORITY AND PROPER OFFICERS THEREOF TO EXECUTE, VERIFY AND FILE APPROPRIATE ARTICLES OF AMENDMENT; AND REPEALING ALL RESOLUTIONS OR PARTS OF RESOLUTIONS

INCONSISTENT HEREWITH.

Frank Mincarelli, Solicitor for the Lancaster Municipal Authority, known formerly as the City of Lancaster Sewer Authority, now has the function of helping Non-Profit entities apply for low interest loans and grants. It is easier to get a quorum with less members, and this resolution changes the number of members of the Authority from 7 to 5.
