PUBLIC ART PROJECTS

(BW & RS) Farnum Park

8/2/17 Ruth Hocker joined us to discuss goals, current timeline, and potential funding. RS and BW will need to meet with Ruth to further discuss basics and begin to develop committee and RFQ. HL provided a list of names for potential committee members. NL and AR suggested choosing five committee members.

(AR/BW) Temporary Public Art Policy

8/2/17 No update.

6/7/17 AR has written a draft. HL is working on final draft and revisions.

(HL) Lancaster Square

8/2/17 This is on hold. PAAB discussed the need to voice an opinion on the use of the square. JM is drafting a response and will share with CK.

(AR) Our Identities Unedited: The Lancaster Sound Map

8/2/17 Projects are on display at the train station. Matt Chapman and team have planned an even for Sunday, August 6. Please share the event. Kevin Ressler has requested permission to add to the sound map. AR will come up with draft of process with help from the artist as well as language for a memorandum of understanding form. AR also suggested we begin to find a future steward for the LSM project.

(HL) Litter Letter Project

8/2/17 Litter Letter tenure is complete. PAAB suggested that HL work with City staff to recycle as much of the project as possible.

(HL) Display Cases

8/2/17 Cases have been cleaned and re-painted. Current exhibition is North Museum, Lancaster Sound Map, and PA Guild of Craftsmen. Next rotation is January 2018. Content is TBD. AR suggested featuring the Water Building art as it will be complete at that time.

(WT) **Gateway Banners**

8/2/17 Artbridge is still working on contract with Amtrak. Norfolk Southern process is long. WT reports that she is going through it bit by bit and making adjustments to our response to their letter. Currently looking at painting abutments and not bridge for NS.

(NL) **Marketing**

8/2/17 No Update

(HL) **Educational Programs Committee**

8/2/17 Working on Community Engagement for Gov. Art Awards. Recommended that the connections built through this effort are maintained and perhaps grow into an Arts Council or at the very least, establish better communication between community organizations, artists and creative business owners.
