

Shade Tree Commission Meeting
 AGENDA
 City Hall, Commission Room - 120 N. Duke St.
 January 20, 2015
 7:30 P.M.

Call to Order:

Reading of the minutes from the previous meeting

Old Business:

- 1) Possible subcommittees on sidewalks, emerald ash borer, and general community outreach.
- 2) Questions on Phase IV Streetscape in the 300 block of N. Queen St. (no brick bands, tree wells)

New Business:

ITEM	ADDRESS	REQUEST	ACTION
01-15		Election of Chairperson for 2015	
02-15	514 W. Chestnut St.	Permission to remove the Bradford Pear and to replace with a more desirable tree due to the trees lean and pushing the power lines.	
03-15	545 W. Chestnut St.	Permission to remove the storm damaged tree and due to the severe trimming need to clear the building and PPL's lines; replace it with a more desirable species.	
04-15	118 Coral Street	Susquehanna Arborist requests permit to remove a Maple; a notice sent was to have the tree dead wooded (crown cleaned) prior to this request.	
05-15		That there shall be a single price for any tree purchased through the City's tree planting program, the price shall be approximately the average of the tree prices on the current contractors bid list. The price shall be set annually by the Arborist.	

Other Business:

1. Ruth Hocker, Storm water Program Manager and Glen Recknagel, G I S Coordinator will attend this meeting to discuss their roles with the City's Green Infrastructures.
2. Discuss EAB outreach strategy subcommittee meeting.
