### **#2021-05 Lancaster Operations Fluid Distribution System Expansion-Rebid**

#### **CITY OF LANCASTER, PA**

The City of Lancaster, PA will receive proposals online for City of Lancaster Bureau of Fleet Operations Fluid Distribution System Expansion Project until February 10th, 2021 at 11:00AM at which time they shall be opened electronically and publicly posted on PennBid's website. The City of Lancaster seeks bids from qualified contractors to accomplish the expansion of the 4-product fleet maintenance fluid distribution system (15/40 and 5/30 oil products, antifreeze and compressed air) into the adjacent alignment bay as illustrated on the plan sheet. All documents and solicitation details are available online at no cost on PennBid- [www.PennBid.net](http://www.PennBid.net).

This Project and Contract are subject to certain special requirements. For example, as more specifically detailed in the Contract Documents, the successful bidder shall be required to assure protection against discrimination for employees, applicants for employment, and subcontractors on the grounds of actual or perceived race, color, sex, religion, ancestry, genetic information, national origin, sexual orientation, gender identity or expression, familial status, marital status, age, mental or physical disability, use of guide or support animals and/or mechanical aids, and to make payment of certain minimum salaries and wages.

The City of Lancaster, PA reserves the right to reject any and all Bids and to accept the Bid, which is in the best interest of the City. The lowest responsible bidder need not be the bidder submitting the lowest dollar amount bid. The City may also consider the quality of the goods or services supplied, ease of repair, compatibility with other City equipment, responsiveness, past performance of the bidder and any other reasonable factors specified in the bid package.
